Internally, the accommodation begins with a welcoming entrance hall, which provides access to a convenient ground-floor WC before leading into the main living accommodation.

The dining room measures 13'8 x 9'1 and provides an excellent dedicated space for family meals and entertaining. The room houses the staircase leading to the first floor and further benefits from useful under-stair storage.

Positioned to the front of the home is the kitchen measuring 9'9 x 10'6. Finished to a modern standard, the kitchen provides an abundance of cupboard and worktop space alongside a range of integrated appliances, creating a stylish yet practical environment for cooking, preparation and storage.

At the heart of the home is the generous lounge measuring 16'2 x 10'6, providing an inviting main reception space with ample room for a range of furniture. Glazed double doors open directly into the conservatory, allowing natural light to travel between the two spaces whilst creating an excellent flow towards the rear of the home.

Adding considerably to the versatility of the ground floor is the bar/additional reception room measuring 7'3 x 9'1. Currently arranged as a dedicated bar and entertaining space, the room could equally serve as a home office, snug, playroom, guest room or additional bedroom depending on the requirements of the next owner. The existing bar fixtures and fittings are available by separate negotiation.

Across the rear of the property is the impressive conservatory measuring 8'6 x 19'8. Its generous proportions create a substantial additional reception area overlooking the garden, providing an excellent setting for relaxing and entertaining whilst glazed doors offer direct access outside.

Moving upstairs, the first-floor landing provides access to all three bedrooms and the family bathroom.

Bedroom One measures 12'8 x 10'8 and forms a generous double bedroom, with a striking floor-to-ceiling window allowing an abundance of natural light into the room.

Bedroom Two measures 12'8 x 9'4 and

provides a further well-proportioned double bedroom with ample space for a range of bedroom furniture.

Bedroom Three measures 7'3 x 8'11 and is currently utilised as a dressing room, demonstrating the versatility of the space. The substantial wardrobe currently positioned within the room is also included within the sale.

Completing the first-floor accommodation is the three-piece family bathroom suite, comprising a shower-over-bath, toilet and wash hand basin.

The property also benefits from a number of thoughtful modern features. Remote-controlled lighting is installed within the lounge and all three bedrooms, with the light fittings in each of these rooms incorporating integrated fans for additional comfort and convenience.

Externally, the home enjoys a south-facing rear garden, providing an excellent outdoor space for relaxing, entertaining and enjoying the sun throughout the day. The garden further benefits from rear access and backs directly onto established woodland, creating an attractive green outlook and an excellent degree of privacy whilst contributing to the area's more semi-rural feel.

Parking is available on street within the surrounding area, with a communal car park positioned to the side providing further parking options.

Overall, this immaculate three-bedroom home offers considerably more than the conventional terraced layout, with multiple reception spaces, a brand-new kitchen and a substantial conservatory providing exceptional versatility across the ground floor. Combined with its south-facing garden backing onto woodland, modern features and convenient position for Basildon Station and major road links, the property presents an excellent opportunity for buyers seeking a home that has already undergone extensive improvement.
