£300,000

Positioned at the head of Oak Tree Crescent in Stalybridge, this two bedroom bungalow enjoys a setting that is hard to beat. Elevated above the town with panoramic views stretching across the Manchester skyline and beyond, this is a home where the outlook really steals the show. Whilst the property would benefit from modernisation, the potential on offer here is undeniable, giving the next owner the chance to create something truly special.

As you arrive, access is provided to two generous garages fitted with electric roller doors. Steps lead up the side of the property to a substantial roof terrace laid with artificial turf, an incredible spot for morning coffees, evening sunsets, or simply sitting back and enjoying those far reaching views. From here, step inside into the welcoming entrance hall.

The lounge is positioned to the front of the home to make the very most of the outlook, and leads into the dining room. To the rear sits the kitchen, which also provides access out to a useful outhouse area.

Both bedrooms are comfortable doubles, whilst the wet room style bathroom adds practicality. The accommodation is ready for updating, but the layout, position and views
