

48 Cumberland Avenue, Dukinfield, SK16 5JB

£220,000

Welcome to Cumberland Avenue! This is a home that has been owned by the same family since it was built, and now the time has come for someone new to make their own memories here. It's a two bedroom bungalow with plenty of potential, and whilst it would benefit from some modernisation, there's a really good foundation here to work with. Better still, it's coming to the market with no onward vendor chain, so there's nothing holding up its next chapter.

Step inside and you'll find an entrance vestibule leading through to the central hallway, with the lounge positioned to the front of the property. It's a bright and airy room, with a lovely bow window bringing plenty of natural light into the space.

The kitchen sits to the rear and looks out over the garden, with a useful sun room just off it. It's a nice additional space and one that could work in all sorts of ways, whether that's somewhere to sit with a morning coffee, an informal dining area or simply a place to enjoy the garden whatever the weather.

There are two bedrooms on the ground floor, including a good sized master bedroom, while bedroom two has a staircase leading up to the loft space.
