Offers Over £350,000

Located on Rose Hill in Stalybridge, this extended four bedroom semi detached home comes to the market offering spacious living accommodation, complemented by far reaching views. The current owners have improved the property significantly over the years, creating a superb family home with underfloor heating throughout the ground floor, two recently refurbished bathrooms, a modern kitchen/diner, and a landscaped garden designed to make the most of the outdoor space. The hard work has already been done here - any prospective purchaser simply needs to add their own stamp to make it feel like home.

The lounge is positioned to the front of the home and features underfloor heating, LVT flooring, and a contemporary media wall. From here, double doors lead through to the extended kitchen/diner at the rear, fitted with sleek gloss cabinetry and also benefitting from underfloor heating. The dining area opens into the conservatory - a space the current owners have transformed with the addition of a solid roof, underfloor heating, and an air conditioning/heating unit, making it a room that can be enjoyed all year round.
