

2 Platt Street, Oldham, OL4 5TE

£160,000

Located on Platt Street in Springhead, this two bedroom end terrace is a great option for first time buyers or investors looking for something that's ready to go without needing a long list of jobs doing. The current owners have clearly taken care of the property, with improvements including new windows, a new boiler, and a recently refitted bathroom within the last couple of years – so a lot of the big jobs have already been taken care of for you.

Step through the front door into an entrance vestibule, which then leads into the lounge. Positioned at the front of the home, this is a bright and comfortable space, finished in calming neutral tones that make it easy to put your own stamp on. It's the kind of room you can settle straight into.

To the rear, the kitchen has a real cottage feel, with soft green units and oak block-style worktops giving it a bit of character. There's a nice balance here between style and practicality, with enough space for day-to-day cooking while still feeling homely and inviting.

Upstairs, the main bedroom is a really good size, easily accommodating larger furniture, while the second bedroom works well as a guest room, nursery, or home office depending on your needs. The bathroom has been recently updated and has been cleverly designed to make the most of the space, giving it a fresh, modern feel.
