Overall Description

GUIDE PRICE: £375,000 - £385,000. This is a mid terraced 1970's house sitting at the end of a quiet cul-de-sac, in the picturesque Hertfordshire village of Weston. The house is surprisingly spacious as it has a wide entrance hall with home office area, a lovely large open-plan sitting/dining room and has been extended to the rear to create a kitchen and a separate shower room. The kitchen has an arched opening into the sitting/dining room helping to enhance the sense of space, while upstairs there are three bedrooms, two good-sized doubles, and a bathroom. There are gardens to the front and rear, the latter having a gate leading to an access path and children's playing area. The property is in need of internal modernisation throughout but equally, it does offer buyers the potential to create a nice modern family home to their own tastes, in a pleasant village location. There is no onward chain. We have an Open Day arranged from 10am to 11am on Saturday the 4th of July, so please call to arrange a viewing.

Location

This property sits down the end of a quiet cul-de-sac in the popular Hertfordshire village of Weston, situated on a high plateau to the south of Baldock and surrounded by beautiful Hertfordshire countryside. Although the location is idyllic, it is also very conveniently located, being just a short drive away from the A1/A505, as well as being easily accessible to the railway stations in Letchworth Garden City (the Cambridge Line to London Kings X) and Stevenage (The Hertford North line to Moorgate). The historic village of Weston, mentioned in the Domesday book of 1086, is a thriving local community with a village hall, Post Office and Village Stores, church (The Holy Trinity), primary & nursery school and two local public houses (The Cricketers in the village and The Rising Sun in the neighbouring hamlet of Hall's Green). There are High Street shops, supermarkets and other amenities close-by in Letchworth and Stevenage including the Lister Hospital.
