### Overall Description

This is a top-floor apartment that is situated very conveniently for local shops and amenities, being just off Green Lanes, so right in the heart of Palmers Green. The apartment has an entrance hall, two double bedrooms, a sitting room and kitchen, and is in good decorative order, although it would benefit from a bit of internal modernisation. It has double-glazed windows, gas central-heating and also has the benefit of being sold with no onward chain. The current lease has c.42 years left remaining, which can of course be extended, although it does mean that buyers will need to be cash purchasers. For such buyers the property is an excellent investment, either to modernise and sell-on or as a buy-to-let opportunity, or for anyone looking for a good return (it currently lets for £1,800 per calendar month).

### Location

This property sits in a residential area just off the High Street in Palmers Green, around a five minute's walk from the railway station (regular trains to Moorgate) and convenient for both the A406 North Circular and A10. There is a Pure Gym just a short walk away and Broomfield Park and Grovelands Park are just up the road.
