This beautifully presented detached chalet bungalow has been recently modernised with a stunning new kitchen, redecoration throughout and the creation of a useful laundry room on the first floor. The end result is a flexible and contemporary family home in an excellent location for local schools and transport links. The property has three bedrooms, a large double with fitted wardrobes on the ground floor alongside the modern bathroom, with an even larger double, single and laundry room on the first floor. Downstairs there is also an entrance hall, downstairs cloakroom, large open-plan sitting/dining room, lovely new kitchen and inner hall (accessing bedroom two and the bathroom). There are pleasant gardens to front and back, the latter being sunny and private, as well as ample parking and a long driveway leading up to the detached garage. Location

The property is located in a pleasant residential location in West Cheshunt, close to beautiful Hertfordshire countryside, yet is conveniently located for local transport links with the A10 close-by giving fast access to the M25 and Cuffley and Bayford railway stations also just a short drive away. There are very good schools at all levels in the local area including Fairfields Primary School, Flamstead End Junior School (both walking distance) and senior schools such as the Goffs Academy and St Mary's High School. The Appleby Street Farm and Shop is just up the road and there is shopping available in Cheshunt with the Brookfield Shopping Centre around a five minutes drive away. It is an ideal location for families with open countryside on your door step - indeed the Hertfordshire Chain Walk leads into Broxbourne Woods from close by - so it is the perfect property for those looking for somewhere quiet and semi-rural but also enjoy outdoor pursuits such as walking or cycling.
