Overall Description

This modern end-of-terraced house sits at the very end of a cul-de-sac, opposite the river Mimram and very easily accessible from Hertford North Station and the town centre. The property is nicely appointed throughout with double-glazed windows and electric wall-mounted heaters. There is a good-sized double bedroom with fitted wardrobes and a modern bathroom upstairs, while downstairs is the entrance hall, sitting/dining room and contemporary kitchen. There is a private paved back garden and two allocated parking spaces in the car-park in front of the house. The property is being sold with no onward chain. If you are looking for a modern starter home in a really good location, or want an excellent buy-to-let investment, then early viewing is advised.

Location

This house sits at the very end of a pleasant cul-de-sac opposite the river in a very convenient central Hertford location, just around the corner from Hertford North station with its regular services to London (Moorgate, Finsbury Park and Kings Cross) and a handy shop/newsagents. It is also easily accessible to the A414 which provides access to Welwyn Garden City, Hatfield and the A1/A10. The centre of Hertford is a ten minute walk away. Hertford, the historic county town of Hertfordshire, has a very good range of amenities including shops, supermarkets, a theatre, regular markets, sports clubs and also has many excellent restaurants and a lively night life. The property is close to an excellent range of local schools at all levels including the St Josephs Catholic Primary School, Hollybush Primary School and Sele School. Hertford is surrounded by beautiful open countryside with multiple footpaths and cycle tracks leading across farmland and through local woods, so it is a great place to move if you want to escape London, but still be within an easy commute.
