Overall Description

This is a nicely presented modern town house, that has been extended and much improved by its current owners, situated in a pleasant cul-de-sac, in the popular commuter town of Welwyn Garden City. The property is laid out over three floors with three bedrooms and two en-suites on the top floor, with the master bedroom and en-suite being on the first floor. Also on the first floor is the large open-plan sitting room with French doors opening out to a Juliet balcony, perfect for a summer evening. The ground floor has the entrance hall, downstairs cloakroom and a modern kitchen/dining room which has been extended into the garage to create a larger dining space. The kitchen is open-plan into the rear extension with vaulted roof and Velux windows, which creates a lovely light family living room with tri-fold doors out to the sunny low maintenance garden. There is a private driveway with parking for two cars and the single garage has electric light and power and plenty of storage space for a busy family. Viewing is highly recommended.

Location

The property sits down a residential cul-de-sac in the Panshangar area of Welwyn Garden City, so conveniently located for local amenities, with a large Morrisons Supermarket just a few minutes walk away and other local shops close-by.
