The beautifully simple new way to sell your home

Nightingale Road, Bowes Park

DEVELOPMENT PROJECT: A character Victorian Villa with a large, mature garden, close to excellent schools, in the sought-after Bowes Park Conservation Area. No Chain.

£650,000

01992 87 85 80

Overall Description

This is a most attractive Victorian semi-detached villa in a pleasant location within the Bowes Park Conservation Area. The property is in need of interior modernisation but does offer buyers scope to create the family home of their dreams a short hop from local schools and transport links. There are three bedrooms and a bathroom on the top floor, with entrance hall, open-plan sitting/dining room and kitchen downstairs. The property has wooden sash-windows throughout, a period fireplace in the main reception room and gas-fired central-heating. There is a relatively low-maintenance front garden with a side gate leading to the large mature back garden. The property is being sold with no forward chain. This is a rare opportunity to create a modern family home in a premium location that still retains the essential character and charm of the original house. Viewing is strongly recommended. We have an Open Day booked for 10am to 11am on Saturday the 13th of June so please call to arrange a viewing.

Location

This property sits in an enviable location, within the Bowes Park Conservation Area and a very short walk from Nightingale Gardens and the New River Path, a lovely green space to sit out on a sunny day. There are very good transport links a short walk away including Bowes Park Overground Station (with regular trains to Finsbury Park and Moorgate) and Bounds Green Underground Station (Piccadilly Line). There are excellent schools in the immediate local area including the Bounds Green Junior and Infants School, Earlham Primary School, St Thomas More Roman Catholic School and the Riverside School. There are plenty of green local spaces for sports and other recreation including the New River Sports and Recreation Centre and Woodside Park with its bowling green and children's play space. The area adds to its family friendly credentials by being a Low Traffic Neighbourhood with access restricted to those that live within its borders.

Accommodation

A path leads across the front garden to the front door leading into the:

Entrance Hall 26' x 5' widest (7.92m x 1.52m widest)
