Halsdon Farm

Warmwell Dorchester, DT2 8JD

A rare opportunity to purchase just under 6 acres of land in a semi rural location between Warmwell & Crossways. The land was previously used as a pig farm with the buildings now being in a derelict condition and the land is mainly wooded with some ponds and is overgrown and in a natural state. The property is a timber framed 1920s bungalow currently used as four bedroom chalet bungalow and ready for a full program of modernisation or a rebuilding. The property offers scope for redevelopment for a wide variety of future uses subject to obtaining the appropriate planning permissions.
