### OWNERS COMMENTS

We have loved living here, so much so (for over 30 years), that we have built our dream home in the garden! The garden was huge, and we have developed it sympathetically so as not to detract from our existing home and our new build. The outdoor areas are absolute sun traps, ideal for alfresco entertaining. The neighbours are wonderful and there is even a WhatsApp group for our neighbourhood. And all within an easy walk down to town and the river.
