OWNERS COMMENTS:

When we first crossed the threshold of our house 30 years ago, we knew immediately this would become our beloved home. 4 Town Close is situated in a quiet cul-de-sac, South facing with views across a beautiful valley. The spacious dining room is perfect for entertaining, there is plenty of room for friends and family to stay with us and the lounge is on its own level which means it serves well as our music room. We find the two off-road parking spaces a major asset.
