OWNERS COMMENTS

This is the home I was born in, how could I not love it. To me growing up, this was the perfect location. An easy walk (or run) to the river, fields and all the wonderful attractions that Dartmouth has to offer. I loved it so much I brought my own family up in this wonderful old home, every room tells a story. It's time for another chapter in my family's life and time for another family to create their own special memories here at 152.
