Located within a modern and well-maintained development in the heart of Borehamwood, this beautifully presented one-bedroom apartment offers generous proportions, high-quality finishes, & exceptional convenience. Positioned just moments from the town centre, leisure facilities, and Elstree & Borehamwood train station, the home combines contemporary living with a prime location.

At approximately 575 sq ft, this is one of the largest one-bedroom layouts in the development. The apartment opens into a spacious entrance hallway, where you'll find a large built-in storage cupboard, currently housing a freestanding washer/dryer. A secure video entry system provides added peace of mind.

The open-plan living and dining area is bright and airy, enhanced by floor-to-ceiling windows and doors that lead out onto a private west-facing balcony — perfect for enjoying the afternoon and evening sun. Sleek Amtico flooring runs throughout, complementing the apartment's clean, modern aesthetic. The generous layout comfortably accommodates a dining table, sofa, and media unit, making it ideal for both relaxing and entertaining.

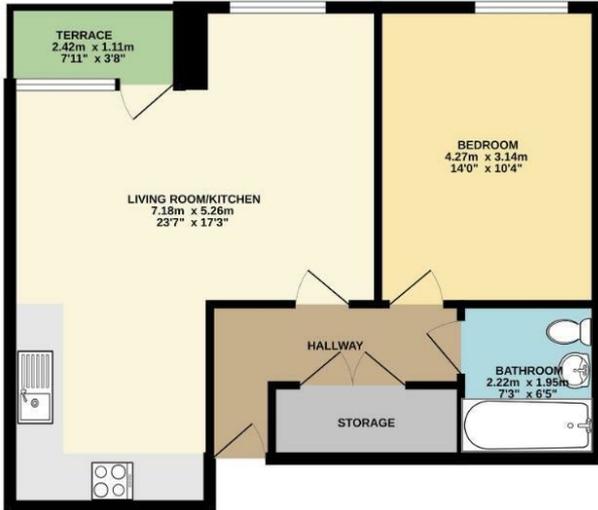

The adjoining kitchen is fully integrated with modern appliances including an electric hob, fridge freezer, & dishwasher. Stylish cabinetry & ample countertop space make this a functional and attractive space for cooking and socialising.

The double bedroom maintains the bright and airy feel of the home, featuring floor-to-ceiling windows that flood the space with natural light, along with built-in wardrobes that provide ample storage without compromising on style.

A well-appointed, partly tiled bathroom completes the accommodation, offering a clean and contemporary design with a shower-over-bath setup, quality fittings, & tiled flooring.

Additional benefits include electric room heaters, excellent built-in storage, one allocated off-street parking space, and the rare advantage of a layout that offers more space than typical one-bedroom apartments in the area.
