INTRODUCTION

With great potential and standing in a good sized plot lies this three bedroomed detached bungalow. The accommodation is depicted on the attached floorplan and as so many others have done, affords the opportunity to remodel and extend, especially given the attractiveness of the rear garden. Another feature is an annexe (in need of some attention) which has been built to the rear of the garage and could be utilised in a variety of ways from home office to gym or occasional accommodation. The accommodation briefly comprises an entrance porch, hallway, large 'L' shaped lounge/diner, rear conservatory, kitchen, three good bedrooms, bathroom and separate W.C.. There is also an additional cloak room situated off the side lobby. The accommodation has the benefit of gas fired central heating to radiators and uPVC framed double glazing. Excellent parking is available and there is a single garage with automated door. The good sized rear garden has mature borders and enjoys much privacy. In all, a great opportunity for an incoming purchaser to put their own stamp on a property in a very appealing location.
