## INTRODUCTION

This outstanding property affords highly desirable contemporary living in a sought after location. The stunning accommodation has been significantly extended by the current owners to create a fabulous family home, at its centre is an amazing open plan living/dining room with a breakfast kitchen. There is also an impressive study/gym currently utilised as a golf studio by the owner. The cosy lounge features a log burner and practicalities are catered for by a large utility room and cloak/boot room. Originally built with a 4 bed roomed design, a previous owner enhanced the main bedroom by amalgamating it with bedroom 4 to create a dressing room, an alteration that the owner undertakes to reverse prior to completion (unless, of course, a purchaser prefers the current layout). There is a stylish en-suite to bedroom 1 and a stunning main bathroom. The accommodation has the benefit of gas fired central heating to radiators and uPVC double glazing. Underfloor heating is provided to the extended open plan living/dining area. The property stands in a good sized plot with driveway providing good parking and access to the double garage. The gardens have been landscaped and to the rear enjoy a southerly aspect with a large paved terraced lawn beyond and a further patio to one corner. In all, a fabulous home in a very popular residential area.

## LOCATION

Mount View is a very appealing cul-de-sac of quality detached properties which is located off the highly regarded Woodgates Lane. The ever popular west Hull village of North Ferriby lies approximately 8 miles outside of Hull and offers a good range of local shops and amenities including a post office, doctors surgery and convenience store. There are a number of amenities and recreational facilities plus a well reputed primary school with secondary schooling at nearby South Hunsley. The village also boasts the railway station which can be found a short walk away and there is also convenient access to the A63 leading to Hull city centre to the east, the Humber Bridge leading to Lincolnshire and Humberside airport, and the national motorway network to the west.

## AGENTS NOTE

Planning permission has been granted for future extension being over the garage thus creating additional bedroom capacity.
