INTRODUCTION

Welcome to Manor Farm House, an exceptional Grade II listed residence situated in the highly sought-after village of Elloughton, nestled at the foot of the picturesque Elloughton Dale on the southern edge of the Yorkshire Wolds. Believed to have origins in the 18th century, this distinguished former farmhouse beautifully combines its rich heritage with the comforts and conveniences of contemporary family living.

Extending to almost 3,500 sq. ft. across two floors, the property showcases an abundance of character and period charm, including elegant sash windows with chamfered reveals, a striking pilastered entrance, and a graceful staircase. Thoughtfully enhanced over the years, Manor Farm House offers extensive yet manageable accommodation, perfectly suited to modern lifestyles.

Occupying a generous plot of approximately 0.42 acres, the property enjoys an impressive frontage to Dale Road. A cobbled pathway, bordered by fragrant lavender, leads to the welcoming entrance, while ample parking and a separate gated access provide convenient entry to the attached garage and rear grounds. The beautifully landscaped rear garden has a sunny south westerly aspect and is predominantly laid to lawn, complemented by paved seating areas and established cottage-style planting, creating a delightful outdoor setting.

The accommodation is both elegant and practical, featuring three charming reception rooms to the front of the house, including a superb living room centred around an impressive inglenook fireplace with a log-burning stove. At the heart of the home lies a spacious living kitchen, designed for everyday family life and entertaining alike, with direct access to the rear garden. Supporting facilities include a cloakroom/W.C., a substantial utility room, an additional cloak/shower room, and a lobby leading to the attached garage.

A lovely first-floor landing provides access to four generous double bedrooms, a luxurious family bathroom, and a separate shower room. The principal bedroom benefits from its own en-suite shower room. A further staircase, adjacent to the kitchen leads to an attic room, offering excellent storage and potential for future enhancement, subject to any necessary consents.

LOCATION

The property is situated at the bottom end of a "no through" road section of Dale Road, which was intersected many years ago by the building of the A63 dual carriageway which runs to the property's side south western boundary. There is therefore no passing traffic and a footpath provides pedestrian access straight into the village centre. Whilst the property has some road nuisance from the adjacent A63, it enjoys a semi rural feel with immediate access into Elloughton Dale and the surrounding beautiful countryside, popular with walkers and nature lovers.

Elloughton is an established and highly sought-after, prestigious village, some 10 miles to the west of Hull. It offers an exceptional quality of life, and a lovely community atmosphere. Together with the neighbouring town of Brough, the area provides a secure and welcoming environment that remains one of the region's most desirable addresses catering for the needs of all.

The village offers a practical lifestyle with a range of local services designed for convenience. Residents enjoy the community feel of the local pubs, and the area is well-served by a variety of independent shops and facilities, supermarkets, and recreational opportunities.

Education is a significant draw for families, with the village being home to the well-regarded Elloughton Primary School. For secondary education, the village falls within the catchment for the highly regarded South Hunsley School and Sixth Form College in nearby Melton. Furthermore, prestigious independent options, including Hymers College, Tranby, and Pocklington School, are also within easy reach, ensuring excellent educational choices for all age groups.

Elloughton provides superb regional connectivity, making it an ideal base for many. The village sits in a prime position for access to the A63, which connects directly to the M62 motorway network and Hull city centre. For rail travel, the nearby station at Brough provides regular services to Hull, Leeds, and London King's Cross.

Accessibility to key destinations includes:

- Hull City Centre: Approx. 11 miles
- Beverley: Approx. 10 miles
- York: Approx. 29 miles
- Leeds: Approx. 49 miles

Beyond the immediate vicinity, the location offers unparalleled access to the beauty of the East Riding countryside. The nearby Yorkshire Wolds present a stunning landscape of peaceful walking trails and traditional villages. This area is perfect for outdoor enthusiasts, offering easy exploration of the coast, including the dramatic clifftops and sandy beaches. The thriving market town of Beverley is nearby with the attraction of York still convenient yet a little more distant.

AGENTS NOTE

Overall, the property stands in a site of 0.42 acre. It is understood that the rear section of garden, which has a part walled surround, and access via automated gates from Granary Court to the side, is indeed held on a separate title but forms part of the 0.42 acre to be conveyed. It may provide some future potential for development, subject to appropriate permissions.

GRADE II LISTED

The property lies within the attractive Elloughton Dale Road conservation area and due to its historic and architectural interest has a prestigious Grade II listing. Such a listing is awarded to properties that are worthy of retaining their historic identity and integrity defining this as a truly special home. Owners require Conservation Officer consent for extension and certain alterations.
