INTRODUCTION

An exciting opportunity to acquire a truly unique property which enjoys a delightful setting within an exclusive location just off the prestigious Cave Road. Standing in grounds of approximately 0.75 acre, this charming four bed detached house is ideal in so many ways but also given the size of the plot and the location, there is plenty of potential to increase its value through extension/remodelling (subject to appropriate consents). Currently the property briefly comprises a lovely central entrance hallway with galleried landing above, large living/dining room with bow window overlooking gardens, study, breakfast kitchen and utility. Upon the first floor, the galleried landing provides access to four bedrooms and the bathroom. Gas fired central heating is installed. The property is well sited in its plot having a wide frontage to the exclusive Glenrock Park and a sweeping driveway leading up to the house and its garage. The gardens predominantly enjoy a south and westerly aspect with a yorkstone paved terrace and lawns.
