INTRODUCTION

Originally constructed as a three-bedroom semi-detached house, this property has been thoughtfully extended and remodelled to create a luxurious two-bedroom home, with further potential for a loft conversion—subject to the necessary permissions—which could provide an additional bedroom. Occupying a charming position on the private lane of Humberdale Drive, and enjoying far-reaching views across the River Humber, this characterful home is enhanced by its attractive Italianate-style, south-facing garden. The frontage offers ample parking along with a garage.

The spacious accommodation, illustrated in the accompanying floorplan, briefly includes an entrance porch, an inviting hallway, a cloaks/WC, a front lounge, and a superb L-shaped sitting/dining room overlooking the garden. There is also a well-appointed kitchen and a utility room.

To the first floor, the landing leads to two double bedrooms and a stylish shower room. The particularly generous main bedroom benefits from its own en-suite bathroom. The layout is well suited for a future loft conversion, with the landing providing an ideal location for a fixed staircase.

LOCATION

Humberdale Drive is a private road situated off Ferriby High Road to the east of the village. North Ferriby lies approximately 9 miles to the west of Hull and offers a good range of local shops including a post office, doctor's surgery and convenience store. There are a number of amenities and recreational facilities plus a well reputed primary school with secondary schooling at nearby South Hunsley School. The village also boasts a railway station which can be found a short walk away and convenient access is available to the A63 leading into Hull city centre to the east, the Humber Bridge or the national motorway network to the west.
