DAIRY CROFT

An exclusive development of just three individually designed three-bedroom bungalows, thoughtfully created with a focus on location, comfort, style, convenience and sustainability. Expertly crafted with meticulous attention to detail, these exceptional homes occupy the site of a former collection of agricultural buildings and enjoy delightful views across the surrounding countryside. The result is an attractive semi-rural setting that perfectly combines the tranquillity with the convenience of Cottingham's excellent amenities just a short distance away.

Each property has its own distinct character and has been finished to an outstanding specification, blending contemporary design with premium fixtures and fittings throughout. Sustainability has been placed at the forefront of the development, with comprehensive insulation, high-performance double glazing and energy-efficient air source heat pumps providing underfloor heating throughout. Together, these features deliver comfortable, economical living with impressively low day-to-day running costs.

LOCATION

Dairy Croft enjoys a semi-rural feel surrounded by countryside to the north eastern fringe of Cottingham village. It is accessed via Dunswell Road which runs out of the village next to the railway crossing on Northgate.

Cottingham holds the proud distinction of being one of the largest villages in England, offering quality of life that combines a bustling market-town feel with a friendly, close-knit community. Renowned for its vibrant high street and leafy residential avenues, the village provides an attractive environment that remains one of the most popular residential choices in the East Riding.

Unlike many smaller villages, Cottingham boasts a thriving centre with two main shopping streets, Hallgate and King Street. These host a diverse mix of independent shops, cafes, and essential services alongside well-known supermarkets. The community atmosphere is further enhanced by a weekly market, numerous local pubs, and the Cottingham Pavilion, which serves as a hub for local sports and social events. The village is also home to the excellent Castle Hill Hospital complex.

Families are well-served by several well-regarded primary schools, including Hallgate Primary and Bacon Garth Primary. For secondary education, Cottingham High School and Sixth Form College provides comprehensive facilities and a strong academic reputation. Additionally, the village's proximity to the University of Hull and various independent colleges ensures high-quality educational pathways for all age groups.

Cottingham provides good regional connectivity, particularly for those who value public transport. The village benefits from its own railway station on the Hull-to-Scarborough line, offering frequent services to Hull city centre, Beverley, and York. For motorists, the A164 and A63 are easily accessible, providing straightforward links to the M62 corridor and the wider national motorway network. There is a regular bus service.

Accessibility to key destinations includes:

- Hull City Centre: Approx. 4.5 miles
- Beverley: Approx. 5 miles
- York: Approx. 35 miles
- Leeds: Approx. 58 miles

Beyond the immediate vicinity, the location offers unparalleled access to the beauty of the East Riding countryside. The nearby Yorkshire Wolds present a stunning landscape of peaceful walking trails and traditional villages. This area is perfect for outdoor enthusiasts, offering easy exploration of the coast, including the dramatic clifftops and sandy beaches. The thriving market town of Beverley is nearby with the attraction of York still convenient yet a little more distant.
