INTRODUCTION

Presenting a beautifully well-presented end-of-terrace home, gracefully situated within the charming village of Sancton and offered for sale with no onward chain. This unique property comes complete with a fantastic private garden and versatile outbuildings. While the garden and outbuildings are thoughtfully separated from the main residence by a shared access, this arrangement in no way diminishes their considerable appeal and utility.

The comfortable accommodation benefits from central heating (new system installed November 2023 with warranty) and double glazing, and briefly comprises a welcoming entrance hall, a cozy lounge featuring a warming multi fuel burner, and a well-equipped kitchen with appliances. The kitchen is open-plan in style to the bright conservatory, yet offers the flexibility of being closed off by elegant fitted plantation shutter bi-folding doors. The conservatory itself boasts French doors leading out to a private gravelled courtyard, and the ground floor is further enhanced by a practical utility room and a spacious bathroom complete with both a bath and a separate shower. The first floor provides three comfortable bedrooms.

The property occupies an elevated position, set back from the road with a pleasant lawned garden to the front. Directly adjoining the rear of the property is a private rear courtyard with a fenced boundary and gate. To the left of the property lies a large private garden, an idyllic outdoor haven with a lush lawn, a charming summerhouse, gravelled and decked areas, large shed, plus a superb section with planters, perfect for a productive vegetable patch. The property also includes a garage and an additional large store. Off street parking is available.

LOCATION

Sancton is a charming and picturesque village nestled within the beautiful East Riding of Yorkshire. Offering a peaceful and idyllic rural lifestyle, the village is surrounded by open countryside, perfect for those who appreciate walking, cycling, and the tranquility of nature.

Despite its serene setting, Sancton benefits from a welcoming community spirit. It features a historic village church and a well-regarded local pub, "The Star at Sancton," which serves as a popular focal point.

While providing a quiet escape, Sancton remains conveniently accessible. It is well-placed for connections to nearby market towns such as Market Weighton and Beverley, which offer a broader range of amenities, including shops, supermarkets, schools, and leisure facilities. The village's location also provides good road links to the A63 and wider regional networks, making it a desirable choice for those seeking a balance between rural charm and practical accessibility.
