INTRODUCTION

Tucked in the far corner of the Willow Drive cul-de-sac, this deceptively spacious three bedroom terraced house in Brough is perfect for first time buyers or investors alike. The neighbouring properties lie to the front and the side, giving the property a feel closer to that of being semi-detached and allowing straightforward access into the rear garden through a gate from the shared car park to the side of the property.

The accommodation briefly comprises a kitchen, lounge/dining room and W.C. on the ground floor, and three double bedrooms and bathroom on the first floor. The three bedrooms are 'double' in size, and the first bedroom benefits from a stylish unit of fitted wardrobes. Outside, the rear garden is comparably generous in size with a small paved area to the immediate rear, lawn and access into the car park to the side of the property in which the property benefits from two allocated car parking spaces.

Viewing is highly recommended to appreciate the space and convenience on offer.

LOCATION

The property is situated at the end of the cul-de-sac on Willow Drive, which is situated off Myrtle Way, Brough. Brough is a vibrant and expanding community in East Yorkshire, offering an excellent array of local amenities for everyday convenience. Residents benefit from a choice of supermarkets including Aldi, Morrisons, and Sainsbury's Local, alongside a Post Office and various general amenities. The village provides good primary schooling, with highly regarded secondary education available at South Hunsley School in the neighbouring village of Melton.

Strategically located to the west of Hull, Brough is particularly well-suited for commuters. It boasts its own mainline railway station, providing direct links to Hull city centre, Doncaster, Sheffield, and London. Furthermore, convenient access to the A63 ensures swift connections into Hull to the east and the wider national motorway network to the west, making Brough an ideal base for both local and regional travel. The ongoing development within the village continues to enhance its infrastructure and appeal.
