## LOCATION

Melton is a quiet residential village, part of a very popular residential area including the villages of Welton and North Ferriby. This tranquil village has an attractive pond and its desirability has been enhanced significantly now that there is no passing traffic due to Melton Old Road being a "No Through" Road. The location is also extremely convenient as instant access can be gained to the A63 which leads to Hull City Centre to the east or the national motorway network to the west. The area provides a good range of amenities and recreational facilities, particularly in the neighbouring villages of Welton, Brough, North Ferriby and Swanland. Brough also has a mainline railway station.
