## INTRODUCTION

Now available on the open market for the first time in around 50 years, 'Patch Dene' is an impressive individual detached house which stands in delightful grounds of over 0.7 acre, on the western side of Kemp Road, one of the region's most prestigious addresses. Designed to look over the southerly aspect, the property affords the opportunity for the new owner to reimagine the property, offering approximately 3,000 sqft of well maintained accommodation over two floors, which would now benefit from refurbishment to create a fabulous family home in this prime location. Given the size of the plot and location, there is plenty of scope for an incoming purchaser to embark on an exciting programme of extension/remodelling, subject to appropriate permissions. The property is discreetly set back from the road and is extremely secluded from the street scene with a sweeping driveway leading up to the house and garaging. The accommodation is depicted on the attached floorplan and briefly comprises four reception rooms, conservatory, breakfast kitchen, utility, five bedrooms, an ensuite to Bedroom 2 and two further bathrooms. The stunning grounds are bounded by mature borders full of shrubbery and trees and a formal lawn extends principally to the south elevation. A vegetable/fruit garden lies to one side of the house. A double garage has an automated up and over entry door. Please note that the property currently does not have a mains gas supply to it but it is available in the street scene for connection.

## LOCATION

Kemp Road is one of the area's most sought after addresses which lies within the picturesque and highly desirable village of Swanland. The village has an attractive centre where a number of shops are to be found including a convenience store/post office, chemist and coffee house. There is also a public house which serves food, two churches and a number of recreational facilities such as a tennis and bowls club and playing fields. The village also has a highly regarded junior/primary school with secondary schooling at nearby South Hunsley School. A number of public schools are also available such as Tranby, Hymers College and Pocklington. Convenient access to the A63 leads to Hull city centre to the east and the national motorway network to the west. A mainline railway station lies approx 15 minutes driving distance at Brough which provides a regular service to London Kings Cross.
