INTRODUCTION

Occupying a quiet cul-de-sac position, this superb semi-detached home has been thoughtfully enhanced to offer spacious and well-appointed living. Originally a three-bedroom house, the first-floor layout has been reconfigured to create an impressively large master suite, complete with extensive fitted furniture, alongside a second well-sized bedroom and a contemporary shower room. A fixed staircase from the landing provides access to a versatile loft area, which features a strengthened floor.

The ground floor is equally well-presented, featuring an entrance hall, a comfortable lounge, and a spacious dining kitchen with double doors that open directly onto the garden. A lawned garden extends to the front of the property and a driveway provides parking and leads to the single garage with automated roller door. The rear garden enjoys a sunny south-facing aspect and features a lawn with patio areas and decorative borders.
