## THE DEVELOPMENT

An exceptional collection of architect-designed homes, set within a private and secluded setting in one of the village's most sought-after postcodes.

This exclusive development of just three bespoke detached residences represents some of the finest new homes available in the region.

Tucked away yet superbly positioned, The Copse lies within easy walking distance of the vibrant village centre, offering an array of cafés, bars and restaurants, and falls within the catchment area for Cottingham's well-regarded primary and secondary schools.

Each home has been individually designed to complement its specific plot, carefully considering orientation and surrounding landscape to maximise natural light and outlook. Expansive bi-folding doors with seamless, level thresholds create a fluid connection between indoor and outdoor living spaces, providing superb areas for both family life and entertaining.

Approached via a long, sheltered driveway, The Copse reveals three distinctive four and five bedroom new homes in addition to the existing 'host' property. Traditionally constructed with a timeless architectural style, the properties combine generous proportions with thoughtfully planned contemporary layouts and high-quality fittings throughout.

Designed and built by a respected local architect and developer, the scheme has been crafted with meticulous attention to detail.

Purchasers will have the opportunity to personalise their home from an extensive range of kitchen, utility and bathroom finishes, as well as flooring and selected external detailing — ensuring each property is truly individual.

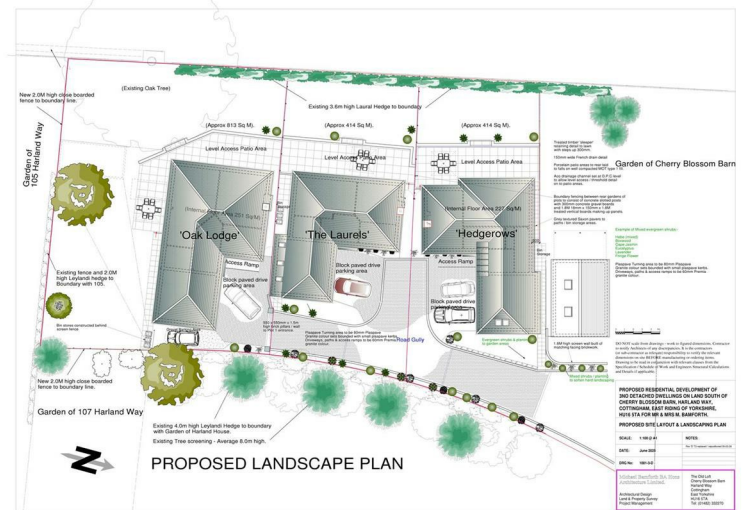

Gardens will be seeded or turfed, with block-set driveways to the front providing ample parking and access to double garages.

## THE PROPERTY - "HEDGEROWS" (PLOT 3)

Hedgerows is an outstanding brand new four-bedroom detached home, thoughtfully designed to offer generous proportions and an abundance of natural light. The accommodation extends to approximately 2,450sq.ft. plus double garage. Wide sliding door systems and bi-fold doors open seamlessly onto the west-facing garden, creating a wonderful connection between indoor and outdoor living.

Perfectly suited to a broad range of discerning buyers, the heart of the home is the stunning open-plan living kitchen, centred around an impressive island — an ideal space for both everyday family life and entertaining. The sense of space continues into the elegant living room, while a separate study/snug provides flexibility for home working or quiet retreat. A utility room and cloakroom complete the well-balanced ground floor layout.

Upstairs, is a galleried landing and four double bedrooms, the principal suite is particularly striking, featuring a part-vaulted ceiling, dressing corridor and a beautifully appointed en-suite. Bedroom two enjoys a Juliet-style balcony overlooking the garden, adding further charm and appeal to this superbly crafted home.

## THE LOCATION

Cottingham holds the proud distinction of being one of the largest villages in England, offering quality of life that combines a bustling market-town feel with a friendly, close-knit community. Renowned for its vibrant high street and leafy residential avenues, the village provides an attractive environment that remains one of the most popular residential choices in the East Riding.

Unlike many smaller villages, Cottingham boasts a thriving centre with two main shopping streets, Hallgate and King Street. These host a diverse mix of independent shops, cafes, and essential services alongside well-known supermarkets. The community atmosphere is further enhanced by a weekly market, numerous local pubs, and the Cottingham Pavilion, which serves as a hub for local sports and social events. The village is also home to the excellent Castle Hill Hospital complex.

Families are well-served by several well-regarded primary schools, including Hallgate Primary and Bacon Garth Primary. For secondary education, Cottingham High School and Sixth Form College provides comprehensive facilities and a strong academic reputation. Additionally, the village's proximity to the University of Hull and various independent colleges ensures high-quality educational pathways for all age groups.

Cottingham provides good regional connectivity, particularly for those who value public transport. The village benefits from its own railway station on the Hull-to-Scarborough line, offering frequent services to Hull city centre, Beverley, and York. For motorists, the A164 and A63 are easily accessible, providing straightforward links to the M62 corridor and the wider national motorway network. There is a regular bus service.

Accessibility to key destinations includes:

- Hull City Centre: Approx. 4.5 miles
- Beverley: Approx. 5 miles
- York: Approx. 35 miles
- Leeds: Approx. 58 miles

Beyond the immediate vicinity, the location offers unparalleled access to the beauty of the East Riding countryside. The nearby Yorkshire Wolds present a stunning landscape of peaceful walking trails and traditional villages. This area is perfect for outdoor enthusiasts, offering easy exploration of the coast, including the dramatic clifftops and sandy beaches. The thriving market town of Beverley is nearby with the attraction of York still convenient yet a little more distant.

## THE SPECIFICATION

- Central Heating: Gas-fired Ideal boiler with a 10-year warranty, featuring underfloor heating throughout the ground floor, designer radiators to the first-floor bedrooms, and dual-fuel towel rails in the first-floor bathrooms and en-suites.
- Interior Finishes: Oak internal doors complement the bespoke feature staircase, with a choice of elegant balustrade designs.
