INTRODUCTION

Standing in a fabulous 0.25 acre plot and offering many possibilities, this very unique property is ideal for those seeking multi-generational living, extra separate accommodation for family or space to rent out. The original 3 bedroomed bay fronted 1930's house has been extended to one side with an attached yet separate two storey annexe providing lovely one bedroom accommodation (as depicted on the attached floorplan). Viewing is certainly recommended to fully appreciate the layout and multitude of possibilities. Features also include a beautiful westly facing garden and a very rare quadruple sized garage (approx 44ft x 17ft 6in overall) again with much potential. The main house briefly comprise of a formal lounge, contemporary open plan living kitchen, utility room, shower room, 3 first floor bedrooms and bathroom. A fixed staircase leads up to the loft space which is currently used by the owners but please note has no formal building regulation approval. The property lies on the corner of West End Road at its junction with Harland Way and Northgate, therefore being so well situated for Cottingham's excellent range of shops, amenities and schooling.

LOCATION

Cottingham holds the proud distinction of being one of the largest villages in England, offering quality of life that combines a bustling market-town feel with a friendly, close-knit community. Renowned for its vibrant high street and leafy residential avenues, the village provides an attractive environment that remains one of the most popular residential choices in the East Riding.

Unlike many smaller villages, Cottingham boasts a thriving centre with two main shopping streets, Hallgate and King Street. These host a diverse mix of independent shops, cafes, and essential services alongside well-known supermarkets. The community atmosphere is further enhanced by a weekly market, numerous local pubs, and the Cottingham Pavilion, which serves as a hub for local sports and social events. The village is also home to the excellent Castle Hill Hospital complex.

Families are well-served by several well-regarded primary schools, including Westfield Primary, Hallgate Primary and Bacon Garth Primary. For secondary education, Cottingham High School and Sixth Form College provides comprehensive facilities and a strong academic reputation. Additionally, the village's proximity to the University of Hull and various independent colleges ensures high-quality educational pathways for all age groups.

Cottingham provides good regional connectivity, particularly for those who value public transport. The village benefits from its own railway station on the Hull-to-Scarborough line, offering frequent services to Hull city centre, Beverley, and York. For motorists, the A164 and A63 are easily accessible, providing straightforward links to the M62 corridor and the wider national motorway network. There is a regular bus service.

Accessibility to key destinations includes:

- Hull City Centre: Approx. 4.5 miles
- Beverley: Approx. 5 miles
- York: Approx. 35 miles
- Leeds: Approx. 58 miles

Beyond the immediate vicinity, the location offers unparalleled access to the beauty of the East Riding countryside. The nearby Yorkshire Wolds present a stunning landscape of peaceful walking trails and traditional villages. This area is perfect for outdoor enthusiasts, offering easy exploration of the coast, including the dramatic clifftops and sandy beaches. The thriving market town of Beverley is nearby with the attraction of York still convenient yet a little more distant.
