INTRODUCTION

This contemporary detached home provides an expansive and versatile layout, complemented by a unique rear garden designed for leisure and entertaining. The ground floor accommodation is centered around an open-plan kitchen and dining area, finished with modern units, granite work surfaces, and a dedicated utility space. Two distinct reception rooms—a spacious lounge and a separate sitting room—provide versatile spaces for quiet relaxation, media use, or a dedicated children's playroom.

The first floor hosts four well-proportioned bedrooms, including a main bedroom suite that features a striking en-suite shower room with a walk-in shower and contemporary gold accents. A modern family bathroom serves the remaining bedrooms.

Externally, the property boasts a substantial rear garden currently optimized for low maintenance, featuring a patio and artificial lawn. A raised decked area serves as a focal point for outdoor relaxation, uniquely concealing a swimming pool that offers the potential for reinstatement. Practicality is further enhanced by a double garage and off-street parking located to the rear of the home.

LOCATION

The property is well set back from Beverley Road and forms part of the main development access from Oaklands Drive which lies between Willerby Square and Willerby shopping park. The surround area offers an excellent range of shops, amenities and recreational facilities in addition to well reputed schooling. Haltemprice Community Sport Centre is easily accessible and convenient access is available towards Hull City Centre, Beverley, Cottingham, the Humber Bridge and the A63/M62 motorway network.
