INTRODUCTION

Sand Hall is one of North Cave's most distinguished historic homes, combining elegant Georgian heritage with beautifully maintained grounds of approximately 0.75 acres. Having remained in the same ownership for over 50 years, the property has been thoughtfully preserved and showcases a wealth of character and period detail throughout its generous accommodation.

Ideal for family living, the house enjoys a convenient position close to the village centre and adjacent to the primary school. Inside, four versatile reception rooms are complemented by a spacious living kitchen, complete with a range of fitted units and a charming log burner. A striking Georgian staircase rises to the first floor, where five bedrooms are arranged, including two with en-suite facilities, alongside a separate family bathroom.

Externally, the gardens are a true highlight, offering a variety of attractive spaces complimented by mature planting. Ornamental gates open onto a sweeping driveway leading to a double garage, with an attached stable and potting shed. Altogether, Sand Hall represents a rare and compelling opportunity, and early viewing is strongly encouraged.

LOCATION

North Cave is a charming and picturesque village that offers a great quality of life for its residence. Ideal for those looking to enjoy the peace and tranquillity of village life whilst still being within easy reach of larger towns and cities. It lies approximately 13 miles to the west of Hull, 5 miles from Howden and 10 miles from the popular and historic market town of Beverley. This sought after village lies at the foot of the Yorkshire Wolds and is surrounded by beautiful countryside, retaining a real village feel with a sense of community. The village has its own preschool and primary school (next door) and currently falls within the catchment area of South Hunsley School of which there is a school bus service. It also retains a local shop, post office, pub and village trust recreational sports centre, canoe and sub-aqua plus indoor bowls club and the well renowned Williams Den, all helping to make North Cave a friendly place to live. For the wildlife lover, North Cave Wetlands, a Yorkshire Wildlife Trust reserve lies nearby and is home to an array of birds of regional importance. Minutes from local shops and beautiful countryside, this is an ideal location for walking, riding, cycling and exploring picturesque villages. Ideally situated for commuters with Junction 38 of the A63/M62 motorway network located approximately 1 mile to the south and also within easy reach of Brough's mainline railway station, the village provides great links both locally and nationally.
