INTRODUCTION

This extraordinary period cottage is a unique family home which has been a cornerstone of the village for centuries, having served as individual cottages and local shops throughout its storied past, the property has undergone a comprehensive and sympathetic renovation to an exceptional standard. A standout feature of the interior is the preservation of the original 18th-century ceiling beams, which provide a timeless connection to the home's history. Every modern detail has been considered alongside these character features, from fundamental upgrades including full insulation, a complete re-wire, and a new energy-efficient combi boiler, to luxury finishes such as USB sockets, LED mood lighting, and high-quality flooring. Many of these items are under warranty, guarantee or certificated.

The interior seamlessly blends historic character with contemporary refinement. The ground floor features a striking split-level lounge anchored by an original log burner set within a meticulously restored brick and stone inglenook fireplace. Further reception space includes a snug with a cast iron open fire, a separate living room with French doors, and a bright conservatory which overlooks the gardens. At the heart of the home is a premium Howdens fitted kitchen equipped with NEFF appliances, supported by a practical utility room and a ground floor shower room.

On the first floor, the landing leads to four bedrooms, all served by a modern family bathroom fitted with an elegant Roca suite.

This home offers a worry free, move in opportunity with no chain involved.

Occupying a prominent elevated position, the property continues to impress outside. The rear garden is a standout feature, arranged over several levels with an extensive lawn and a dedicated sun terrace. Fantastic views are provided of the surrounding countryside. For the practicalities of modern life, there is extensive parking to the rear. Unique additions include outdoor power sockets and a bespoke, heated, and waterproof "dog boudoir." This vast open space includes an area of approx. 8m x 6m with an armoured cable and a commercially painted floor ideal for the renewal of a 5 car garage or construction of a separate annexe, subject to appropriate consents.

There is plenty of space here for a separate annexe to be constructed, obviously subject to appropriate permission being obtained!

Truly a unique home, viewing is essential to appreciate the craftsmanship on display.

LOCATION

The property occupies an elevated position along Old Village Road in the heart of this popular village. Little Weighton is a hidden gem of the East Riding, nestled in an elevated position within the rolling landscape of the Yorkshire Wolds. As one of the more secluded villages in the region, characterised by its close-knit community, it provides a peaceful and secure residential setting that is highly prized by those seeking a rural retreat without feeling isolated from nearby hubs.

In the centre of the village is the popular Black Horse public house with post office and banking facilities, a traditional village inn known for its warm welcome and local character. While the village preserves a tranquil pace, more extensive retail, and leisure facilities—including major supermarkets and independent shops—are easily accessible in the neighbouring villages of Cottingham and Willerby, which are just a short drive away.

The village is home to a highly regarded primary school and falls within the catchment for the well-respected Cottingham High School and Sixth Form College. Furthermore, additional independent schooling options are within easy reach, ensuring a high-quality educational journey for local students.

Little Weighton provides good regional connectivity for those who value a tranquil setting without sacrificing accessibility. The village is well-positioned for commuters, with easy access to the A164 to Beverley or Hessle and the A63/M62 corridor. For rail travel, the nearby station at Cottingham offers frequent services to Hull, Beverley, and York.

Accessibility to key destinations includes:

- Cottingham: Approx. 4 miles
- Beverley: Approx. 7 miles
- Hull City Centre: Approx. 9 miles
- York: Approx. 31 miles

Beyond the immediate vicinity, the village serves as a direct gateway to some of the most stunning walking and cycling trails in the county, including scenic routes through Nut Wood and Raywell. This blend of quintessential village charm and modern accessibility truly encapsulates the best of East Yorkshire life.
