INTRODUCTION

The Ravenswood is a beautiful detached home, thoughtfully designed by Scruton the Home Builders, forming part of their prestigious Low Beeches development. Rarely does one find such a high specification in a brand new home which is clearly evident upon arriving at the development and appreciating the quality of materials that have been used in construction. One of only two Ravenswood designs to be built on the development, this attractive home is particularly spacious and has an array of high end contemporary fittings. The layout provides the very best of modern living with a 29ft long open plan kitchen/dining/living room with bi-folding doors opening out to the rear terrace. The ground floor also includes a lounge with bay window, snug/study, utility and cloaks/W.C. At first floor are four good bedrooms, bathroom and an en-suite shower room to the master.

Gardens extend to both front and rear elevations and a side drive leads to the detached double garage.

LOCATION

Walkington is an ancient village on the eastern flanks of the north wolds, an area of outstanding natural beauty favoured by walkers, cyclists and horse riders. Into this setting Scrutons, the highly regarded home builder, are creating 'Low Beeches', a highly desirable development just 3 miles from the historic market town of Beverley.

The village of Walkington is situated on the south wolds in the East Riding of Yorkshire, approximately 3 miles to the south west of Beverley. With a population of just under 2500, the village boasts a picturesque main road along which can be found the village's three public houses, village pond and the Grade II listed All Hallows parish church. High Beeches is to be found off Townend Road to the west of the village. The location benefits from being enclosed by a number of superb mature trees which soften the look of the development while enhancing the feeling of privacy.

Walkington has its own primary school (Walkington Primary School - www.walkingtonschool.org) Ofsted rates the school as 'good' in June 2019, with behaviour and safety of the pupils as 'outstanding'. Further education facilities can be found nearby in Beverley including Beverley Grammar, Longcroft School, East Riding College and the advanced education Beverley school to name but a few. Beverley is the market and county town of the East Riding of Yorkshire and as such enjoys a full range of shopping outlets including a good mix of independent shops, big name national stores and the famous Saturday market in its town centre, complemented by the recently completed Flemingate retail and leisure complex. In close proximity to Walkington is the Beverley and East Riding golf club, Beverley Westwood, Bishop Burton College and Beverley racecourse.

Walkington is well placed too for connections to the rest of the UK by car - with the cities of Hull and York close by and the M62 motorway providing speedy access to destinations further afield.
