Tucked away at the end of a quiet and serene cul-de-sac, this beautifully presented three-bedroom detached home on Edgbaston Gardens (NG8) offers exceptional privacy, a high-quality finish throughout, and a wonderfully low-maintenance plot. With a double driveway, detached garage, and attractive front and rear gardens, this property provides an oasis of calm in a highly desirable residential area.

The plot is fully enclosed, with gated access down both sides of the house—one side featuring a wide double gate that makes garden work or general access effortless. The rear garden is private, secure, and designed for easy upkeep incorporating outdoor electrical points, with stone slabs and carefully arranged potted plants creating a relaxing, low-maintenance evening retreat.

Upon entering the home, you are greeted by a compact and practical porch area which doubles as a cloakspace. A second internal door leads through to a bright and inviting entrance hall, finished with high-quality laminate flooring that continues through the ground floor. The striking staircase immediately catches the eye, featuring an elegant design incorporating glass panels and stainless-steel banisters that add a contemporary touch to the space.

The first room off the hallway is the snug lounge, an immaculate and stylish living area complete with premium flooring, modern décor, and an attractive electric fire as the focal point. This room has been finished to an excellent standard, offering a warm and comfortable place to relax.

At the end of the hallway, a glass door opens into the impressive kitchen diner. This superb space benefits from heated flooring beneath ceramic tiles, and comes fully equipped with integrated appliances including a dishwasher, washing machine, Belfast sink, and a plumbed-in American-style double fridge freezer set within bespoke cabinetry. Ceramic tiled splashbacks and modern spotlighting complete the sleek, high-spec finish.

To the rear of the kitchen, a set of bespoke glass doors leads through to the conservatory—a spacious and beautifully decorated extension of the living space. With matching flooring, full underfloor heating and the comfort of full gas central heating, this room serves as a year-round retreat overlooking the garden.

Upstairs, the quality of finish continues. There are two generous double bedrooms, each fitted with plush carpets, shutters, curtains, double beds, and meticulous attention to detail. The third bedroom, currently used as a home office and walk-in wardrobe, is a well-presented single room that can easily serve as a traditional bedroom if desired.

The recently upgraded family bathroom is a standout feature, designed with a modern wet-room feel. Finished with marble-effect ceramic tiles from floor to ceiling, it includes a double shower, heated towel rail, and a contemporary smart mirror with backlighting and Bluetooth capability.

This exceptional home combines privacy, style, and modern comforts in a idyllic cul-de-sac setting. Its thoughtful layout, high-end finishes, and easy-keeping outdoor spaces make it a perfect choice for buyers seeking a move-in-ready home.

This highly desirable location offers excellent convenience, with quick access to main transport links and the Nottingham ring road, making commuting effortless. The city centre is only a short distance away, while the David Lloyd leisure centre sits directly opposite the development. Nottingham City Hospital and the Queen's Medical Centre are both reachable within a 10-minute drive, making the area practical as well as peaceful.
