A TRADITIONAL TWO DOUBLE BEDROOM END TERRACED PROPERTY OFFERING SPACIOUS AND WELL PROPORTIONED ACCOMMODATION WITH TWO RECEPTION ROOMS, A FIRST FLOOR BATHROOM AND AN ENCLOSED LOW MAINTENANCE REAR GARDEN, ALL WITHIN EASY REACH OF NOTTINGHAM CITY CENTRE.

Robert Ellis are pleased to bring to the market this traditional two double bedroom end terraced home, which provides spacious accommodation arranged over two floors and would make an ideal purchase for a first time buyer, professional couple or investor.

The property is entered through the front door into the living room, which is a generous reception space positioned at the front of the house and benefits from a bay window providing plenty of natural light. From here there is access through to the separate dining room, which provides an excellent second reception area and incorporates the staircase leading to the first floor together with useful under stairs storage.

To the rear of the property is the fitted kitchen, which includes a range of wall and base units with work surfaces over, a sink and drainer, tiled splashbacks and space for appliances. There are windows to both the rear and side elevations together with a door providing access to the garden.

To the first floor there are two well proportioned double bedrooms. The main bedroom is situated at the front of the property and benefits from two windows, while the second double bedroom overlooks the rear. The accommodation is completed by the bathroom, which includes a panelled bath with shower over, wash hand basin and WC.

Outside, the property has an enclosed paved rear garden which provides a useful and low maintenance outdoor space. Parking is available on the street to the front of the property.

Burford Road is conveniently positioned for a wide range of local shops, schools and everyday amenities, together with regular public transport links and excellent access into Nottingham city centre. The property is also well placed for the surrounding road network and employment centres.

Offering two double bedrooms, two reception rooms and a convenient location close to the city, we would strongly recommend an internal viewing to appreciate the size and potential of the accommodation on offer.
