

Maid Marian House.
Maid Marian Way, Nottingham NG1 6BB

CITY CENTRE STUDIO APARTMENT, NO
UPWARD CHAIN

Asking Price £45,000 Leasehold

Robert Ellis Estate Agents are pleased to bring to the market this studio apartment situated within the popular Maid Marian House development in the heart of Nottingham city centre.

Offering compact, low-maintenance accommodation in an extremely convenient central location, the property represents an excellent opportunity for investors looking to acquire a city centre apartment with strong rental appeal, particularly amongst students and young professionals.

The accommodation comprises an open-plan studio living and sleeping area with double glazed and secondary glazed windows to the front, LVT flooring, wall-mounted heating and space for bedroom furniture.

Incorporated within the main studio is a modern contemporary kitchenette, fitted with a range of units and incorporating a ceramic hob, integrated microwave, stainless steel sink with mixer tap, tiled splashbacks and extractor, together with space and provision for a freestanding fridge freezer.

There is also a separate shower room comprising a low flush WC, semi-recessed vanity wash hand basin with storage beneath and shower enclosure with mains-fed shower, complemented by tiled splashbacks and an extractor fan.

A particular attraction of Maid Marian House is the range of facilities available to residents, which include an on-site gym, communal residents' lounge and concierge service, helping to make the development an appealing option for those wanting convenient city centre living. The development also benefits from no ground rent being payable.

The property occupies a prime position on Maid Marian Way, within easy reach of the extensive shops, bars, restaurants and leisure facilities Nottingham city centre has to offer. Nottingham Trent University is also conveniently located nearby, further enhancing the property's appeal to the rental and student market.

For investors, the combination of an affordable purchase price, central location, resident facilities and established rental demand makes this an attractive addition to a buy-to-let portfolio.

An early viewing is highly recommended to appreciate the location, accommodation and investment potential this city centre studio apartment has to offer.
