

Mansfield Road
Nottingham NG1 3FS

FREEHOLD MIXED-USE INVESTMENT
OPPORTUNITY WITH GROUND-FLOOR
COMMERCIAL UNIT AND TWO ONE-
BEDROOM APARTMENTS ABOVE

Offers In The Region Of £360,000 Freehold

ROBERT ELLIS ESTATE AGENTS are delighted to bring to the market this substantial and highly versatile FREEHOLD MIXED-USE PROPERTY, occupying a prominent position on Mansfield Road and comprising a GROUND-FLOOR COMMERCIAL UNIT together with TWO SELF-CONTAINED ONE-BEDROOM APARTMENTS above.

The property offers an excellent opportunity for investors looking for a mixed commercial and residential building, or potentially an owner-occupier seeking commercial premises with additional residential accommodation.

The ground floor has previously been operated as a licensed restaurant and provides a substantial double-fronted commercial space with excellent visibility onto Mansfield Road. The main trading area provides generous space for dining and customer seating, with access through to a fully equipped commercial kitchen positioned towards the rear of the building.

Further ground-floor facilities include separate male and female toilets, a rear lobby and access into an extensive cellar. The cellar is divided into three separate compartments and provides a considerable amount of useful storage space with light and power.

The residential accommodation is independently arranged above the commercial premises and comprises two one-bedroom apartments.

The first-floor apartment provides a living room, separate kitchen, bedroom and bathroom, creating a well-proportioned one-bedroom property.

The second apartment occupies the upper floor and again offers spacious one-bedroom accommodation comprising a living room, fitted kitchen, double bedroom and shower room.

Externally, there is a rear yard area together with access to the residential accommodation, allowing the apartments to be accessed separately from the main commercial premises.

The property occupies a prominent and highly convenient position on Mansfield Road, within easy walking distance of Nottingham City Centre and providing straightforward access to the surrounding areas. The location is particularly well placed for both Nottingham Trent University and the University of Nottingham, with convenient access available either on foot or via frequent bus services running every few minutes along the surrounding routes. The Arboretum is also within easy reach, together with the wide variety of shops, restaurants, bars, leisure facilities and amenities available within Nottingham City Centre.

Offering a rare combination of commercial premises, substantial cellar accommodation and two separate residential apartments, this is an exciting opportunity with considerable versatility and potential.

An internal viewing is highly recommended to fully appreciate the size, layout and opportunity this substantial mixed-use property has to offer.

Main Shop/Restaurant Unit

21'5 × 23' approx (6.53m × 7.01m approx)

Double fronted windows to the front, glazed access door, stripped wood flooring, suspended ceiling with inset lighting, panelled door to the toilets, bar and doorway leading through to:
