BEAUTIFULLY MAINTAINED THREE
BEDROOM FAMILY HOME

Upon entering the property, you are welcomed into a bright and neatly presented entrance space. This space provides access to the staircase, the electrical consumer unit, and sets the tone for the care and attention the current owners have invested throughout. The hall feels open and well-kept, offering a practical and inviting first impression as you step inside.

The front living room is a warm and elegantly decorated space, perfect for relaxing or entertaining. A large window overlooks the driveway, flooding the room with natural light, while plush, high-quality carpets and an attractive electric fire create a cosy and comfortable atmosphere. This room has been maintained to an immaculate standard, offering a peaceful retreat at the front of the home.

To the rear, the property opens into a spacious and modern kitchen-diner. Fully refitted less than five years ago, the room presents a beautifully designed and exceptionally well-kept cooking and dining environment. It features stylish tiled splashbacks, integrated appliances, and ample worktop and storage space. A large window provides a lovely outlook over the garden, ensuring the space feels bright and connected to the outdoors. From here, you also gain access to the downstairs WC and the boiler cupboard—both practical additions that enhance everyday convenience—as well as a rear door leading directly onto the garden.

Upstairs, the home continues to impress with its well-proportioned bedrooms. The principal bedroom is a generous double that benefits from built-in storage, offering plenty of room to keep belongings neatly organised. The second double bedroom enjoys stunning elevated views across the picturesque Carlton Valley, creating a unique and serene outlook. The third bedroom, a comfortable single, also shares the same far-reaching views, making it ideal as a child's room, study, or guest space. The landing includes an airing cupboard for additional storage, along with access to the loft above.

The family bathroom is a stylish and well-finished three-piece suite, complete with ceramic tiles and completed to a high standard. It requires no further work and provides a calm, contemporary space for daily routines.

The rear garden is one of the standout features of this home, offering exceptional depth and versatility with its beautifully arranged three-tier design. The first tier is a spacious composite decked area, perfect for sunbathing, outdoor dining, or simply enjoying the peaceful surroundings. Steps lead down to a second tier designed for easy-maintenance outdoor living, featuring astro-turf flooring, space for outdoor furniture, and a brick-built outdoor oven—ideal for gatherings, barbecues, or relaxed evenings outdoors. Beyond a gate and fence lies the third tier, a dedicated nature and allotment area with a large garden shed. This tranquil and private space is perfect for gardening enthusiasts, families, or anyone seeking a quiet natural haven. Thanks to its size and layout, the garden enjoys sunlight throughout the day, making it a truly special outdoor space.

With double off-road parking, a beautifully maintained interior, and generous outdoor areas rarely found in homes of this type, this property presents a superb opportunity in a highly desirable location close to schools, shops, and parks.
