Robert Ellis are delighted to bring to the market this deceptively spacious three-bedroom mid-terraced home, offering a superb opportunity for first time buyers, growing families or investors alike. Ideally positioned just a short walk from the vibrant Sherwood High Street – home to a wide variety of shops, bars, cafés and restaurants – the property is also well placed for local schools, amenities and excellent transport links into the City Centre.

The property has been improved by the current owners, including the installation of a fantastic refitted modern kitchen, offering a stylish and practical space that's perfect for everyday living and entertainment. The accommodation briefly comprises an entrance hallway, spacious living room and the open kitchen/diner to the rear, providing access out to the enclosed courtyard style garden.

On the first floor there are three bedrooms and a three-piece bathroom suite.

Outside, the rear garden is a low-maintenance, enclosed courtyard-style space – ideal for relaxing or dining outdoors – while a driveway and garage to the rear offer off-street parking and storage.

An excellent opportunity to purchase a home that's ready to move into located in this ever-popular location.

Early viewing comes highly recommended. Contact the team at Robert Ellis to arrange your appointment.
