Each bungalow will be completed to a high standard with spacious accommodation including an open plan living/dining/kitchen, cloaks/WC and utility/laundry room. There will be three well proportioned bedrooms and boast a high level of energy efficiency.

The town offers an array of local and national retailers including Sainsbury and Tesco, any number of restaurants, cafes and bistros for all tastes as well as a recently opened cinema.

The area is fantastically well connected with bus, train and tram all within walking distance of the property. The Queen's Medical Centre is approximately three miles away with Nottingham city centre within five miles.

The development is located on the flat and for those who enjoy the outdoors there are many walks close by with the River Trent and Beeston canal a short walk away with attractive footpath walks to Attenborough Nature Reserve.

Each property will benefit from a ten year build warranty and we expect the properties to be ready for occupation in the Late Autumn of 2023 with plot three completing first.
