Bramcote, Nottingham NG9 3LX

**£595,000 Freehold**

A five bedroom detached family home with  
double garage.

We have great pleasure in offering for sale this extended 5 bedroom detached executive family home.

Tucked away from the hustle and bustle of everyday life at the head of cul-de-sac in this prime residential location, ideal for families and commuters alike. Schools for all ages are within easy reach as is the vibrant town centre of Beeston which offers an increasing variety of shops and facilities with a fantastic evening economy with a cinema and a variety of bars, restaurants and bistros for all tastes. Beeston also bears fantastic transport links with bus, tram and train. The property itself is a short drive to the A52 linking Nottingham and Derby and junction 25 of the M1 motorway.

The property itself was originally built in 1988 and the owners are the same since new. Since occupation the vendors have particularly well maintained this property and extended it to meet their growing family needs with an impressive open plan living family dining kitchen with a useful separate utility room and a loft conversion to provide a generous double bedroom that sits over the whole of the top floor.

Further features include, of course, gas fired central heating, UPVC double glazed windows throughout, cloakroom/WC and a generous en-suite bathroom to the master bedroom.

Off street parking for three vehicles is at the front which leads to a partial integral double garage with electric doors. The particularly private rear gardens are attractively landscaped with ease of maintenance in mind via quality artificial lawn and various seating areas.

We are experiencing a current shortage of such properties and therefore we recommend an early internal viewing to avoid disappointment.
