

Ullswater Crescent,
Bramcote, Nottingham
NG9 3BE

£299,950 Freehold

A well proportioned four bedroom town house.

Having undergone a full program of renovation and modernisation including a brand new kitchen, two bathroom suites, central heating and full re-wire, this beautiful property is considered an ideal opportunity for a range of potential purchasers including first time buyers, young professionals and families.

In brief the internal accommodation which is split over three floors comprises: entrance hall, double bedroom, study and shower room to the ground floor, with an open plan kitchen diner and lounge to the first floor and further two double bedrooms in addition a single bedroom and family bathroom to the second floor.

Outside the property benefits from a concrete and gravel driveway to the front which leads up to a useful bike store with a private enclosed low maintenance rear garden which comprises a decking area with a lawn and barked area beyond with mature trees and fence boundaries.

Offered to the market with the benefit of ready to move in condition, UPVC double glazing and gas central heating throughout. An early viewing comes highly recommended in order to be fully appreciated.

We understand that there was one episode of a minor flood in the past whereby the storm drains became overwhelmed in Bramcote and there was a slight water ingress to what was then the garage. We have worked with Severn Trent Water and have adopted all of their recommendations in order to mitigate the risk of a recurrence.
