

Barratt Crescent,  
Attenborough, Nottingham  
NG9 6AH

**£550,000 Freehold**

A great opportunity has arisen to purchase a well proportioned three bedroom detached family home situated on a large garden plot in this highly sought after village location.

This property comes to the market for the first time in a generation and benefits from a recently installed gas fire central heating system and has double glazed windows and whilst very much in liveable condition the property would benefit from some modernisation, offering great potential for the incoming buyer to put their own mark upon it.

The accommodation includes two well proportioned reception rooms, cloakroom/WC, dining kitchen and a large garden room which enjoys an aspect over the rear garden. There are three well proportioned bedrooms, a master with en-suite shower room and a family bathroom.

The property is set back from the road with a courtyard providing ample off street parking and there is a tandem double length garage. Without a doubt one of the features of this property are the expansive rear gardens which have been well maintained over the years, with lawns, well tendered bedding and a vegetable plot at the foot.

Situated in the highly sought-after suburban village of Attenborough, offering a great community feel and picturesque award winning nature reserve on the door step, yet far from being isolated, Attenborough boasts its own train station and sits no more than two miles from the vibrant town centre off Beeston, offering a generous variety of shops, facilities, bars, restaurants, bistro's and even a cinema. There are good transport links and ease of access to Nottingham City Centre. Schools for all ages are also in easy reach.

The property has great potential to be remodelled and extended (subject to the necessary provisions), enabling it to be a great long term family home. We strongly recommend an early internal viewing to avoid disappointment.

### Entrance Hall

14'11" x 7'10" (4.55m x 2.41m)

Stairs to the first floor, under stair store cupboard, double glazed window to the front, glazed front entrance door and radiator.
