£285,000 Freehold

ROBERT ELLIS ARE DELIGHTED TO WELCOME TO THE MARKET THIS FULLY RENOVATED AND MODERNISED BAY FRONTED THREE BEDROOM SEMI DETACHED HOUSE BEING BROUGHT TO THE MARKET WITH THE BENEFIT OF NO UPWARD CHAIN.

With accommodation over two floors, the ground floor comprises entrance hall, ground floor WC, spacious bay fronted living room and re-fitted Howdens kitchen. The first floor landing provides access to three bedrooms and a re-fitted/modernised bathroom suite.

The property also benefits from gas fired central heating from a recently commissioned combination boiler, uPVC double glazing throughout, generous enclosed corner plot, detached, double garage and detached brick outbuilding

We believe that the property would lend itself to further development on the side (subject to the usual planning permissions and consents). This could be sought either via extending the property or potentially looking to build on the side of the plot.

The property's location would suit that of a variety of different buying types, being situated close to good schooling, open countryside, shops, services and amenities. The property is also conveniently located close to a good selection of nearby transport links such as the A52 for Nottingham/Derby, Junction 25 of the M1 motorway, the Nottingham electric tram terminus and localised routes into Beeston, Stapleford and Long Eaton.

We highly recommend an internal viewing to fully appreciate the modernisation which has gone into the property.
