A traditionally styled and constructed two bedroom mid-terrace house with the benefit of external insulation.

Being set back from the road, the property is situated within a quiet collection of properties in a convenient and popular location, ideal for the QMC and Nottingham University.

In brief, the internal accommodation comprises entrance hall with lounge and modern kitchen diner to the ground floor, and to the first floor there are two double bedrooms and a modern, white three piece bathroom suite.

Outside, there is a hedged and lawned front garden with a path to the front, with side gated access leading to a rear, primarily lawned garden with a patio area and fenced and hedged boundaries.

The property is considered an ideal opportunity for a first time buyer, professional couple or investor, where an internal viewing comes highly recommended to be fully appreciated.
