THIS IS A THREE BEDROOM SEMI DETACHED PROPERTY WITH A CONVERTED LOFT AREA SITUATED IN THIS MOST SOUGHT AFTER VILLAGE WITH THE ACCOMMODATION INCLUDING SPACIOUS, ENLARGED GROUND FLOOR LIVING SPACE AND THERE IS A PRIVATE GARDEN TO THE REAR.

Standing in a slightly elevated position on the edge of Hemington Village, this deceptively large property offers an ideal home which will suit a professional person or couple or family who are in search of a three bedroom property which is found in a rural location yet within easy reach of the many amenities and facilities provided by Castle Donington which is only a few minutes drive away and to excellent transport links, all of which have helped to make this a very popular and convenient village location. The main accommodation is arranged on two levels with further usable space in the original loft area and is being sold with the benefit of vacant possession and therefore no upward chain. For the size of the living and bedroom space and privacy of the rear garden to be appreciated, we strongly recommend that all interested parties do take an internal inspection so they are able to see all that is included in the property for themselves.

The property is constructed of brick to the external elevation under a pitched tiled roof and the well proportioned accommodation derives all the benefits of being double glazed and from having gas central heating. Being entered through a stylish composite front door the accommodation includes a reception hall that provides an open plan feel leading into the main lounge/living room which has two double opening French doors leading out to the private rear garden. There is a second reception room and a well fitted kitchen which has ranges of wall and base cupboards and wooden work surfaces. There is also a most useful ground floor w.c. and to the first floor the feature oak balustrade continues from the stairs onto the landing and there is then a second flight of stairs leading to the rooms created in the loft space. At the first floor level there are three good size bedrooms and a luxurious bathroom which includes a separate shower as well as a bath. On the second floor there is a further usable space which is fitted with ranges of wardrobes and drawers. Outside there is a block paved drive and slate chipped area at the front of the house and a path to the right of the property which provides access to the rear garden. To the immediate rear of the property there is a decked area with steps leading to a lawned garden which has beds to the sides and at the bottom of the garden there is a storage shed and other storage facilities which will remain at the property when it is sold. The rear garden is kept private by having fencing to the three boundaries.

Hemington is only a few minutes drive away from Castle Donington where there are various shops including a Co-op store on the main road leading into Castle Donington, schools for all ages, healthcare and sports facilities. There are walks in the surrounding picturesque countryside which can be accessed almost immediately outside the property, further shopping amenities and facilities can be found in nearby Long Eaton and Derby as well as Pride Park and the transport links include J24 of the M1 which connects to the A42, there is the A50, East Midlands Airport, East Midlands Parkway railway station and there are various main roads which provide good access to Nottingham, Derby and Leicester as well as many other East Midlands towns and cities.

There is an open canopy porch with recess lighting to the front of the property leading through a stylish panelled composite front door with two opaque glazed side panels into:
