THIS IS A DOUBLE FRONTED, DETACHED VICTORIAN HOUSE RETAINING MANY ORIGINAL FEATURES WHICH JUST NEEDS SOME FINISHING TOUCHES.

Being located on Trowell Grove, which is an established road on the outskirts of Long Eaton, this double fronted, detached Victorian property provides a lovely home which we are sure will suit people who are looking for this style of property on which they can stamp their own mark. The property has been generally upgraded throughout, but there are some cosmetic touches required which people will see when they view. For the size of the three double bedroom accommodation included and privacy of the sunny rear garden to be appreciated, we recommend that people take a full inspection so they can see all that is included in this lovely home for themselves. The property is well placed for excellent local schools and other amenities and facilities provided by Long Eaton and the surrounding area and to transport links, all of which have helped to make this a very popular and convenient place to live.

The property stands back from the road with a low level wall and hedging at the front and is constructed of brick to the external elevations under a pitched tiled roof. In brief the accommodation, still retains many original features, including Minton tiled flooring, pine doors to the rooms and an original fireplace in the lounge with further original fireplaces in two of the bedrooms.
