O/I/R £90,000 Freehold

THIS IS A TWO DOUBLE BEDROOM END PROPERTY WHICH IS CURRENTLY TENANTED AND IS BEING SOLD WITH A TENANT IN-SITU.

This is a two double bedroom end property which is currently rented and provides an investment opportunity for a landlord or similar buyer. The property is occupied by a long term tenant and we are looking for a buyer who will keep the house as a rental property and will not want to live at the property themselves. For the size and condition of the property to be appreciated, we recommend interested parties do take a full inspection so they can see the whole property for themselves, with the house benefiting from being well placed for easy access to all the amenities and facilities provided by Long Eaton with the town centre literally being only a few minutes walk away.

The property is constructed of brick under a pitched tiled roof and the accommodation derives all the benefits from having gas central heating, with a Vaillant boiler and double glazing. The accommodation includes a hall and a reception room at the front which could alternatively be used as a third bedroom, the lounge/sitting room is at the rear and there is a kitchen with a door leading out to the rear garden. To the first floor the landing leads to the two double bedrooms and off the second bedroom there is the bathroom which is of a good size and has a three piece suite. At the rear of the property there is a block paved garden area with walls and fencing to the boundaries.

As previously mentioned the property is only a few minutes walk away from the centre of Long Eaton where there are Asda, Tesco and Aldi stores as well as many other retail outlets, there are healthcare and sports facilities which include the West Park Leisure Centre and adjoining playing fields, various pubs and restaurants in the town centre, schools for all ages are within easy reach and the transport links include junctions 24 and 25 of the M1, East Midlands Airport, stations at Long Eaton and East Midlands Parkway and the A52 and other main roads provide good access to Nottingham, Derby and other East Midlands towns and cities.
