

Holmes Road,
Breaston, Derbyshire
DE72 3BT

£375,000 Freehold

A FOUR BEDROOM DETACHED FAMILY HOME SITUATED IN THE HEART OF BREASTON.

Robert Ellis are delighted to bring to the market a property which is approximately 30 years old and has only ever had one owner. The property is very well maintained and perfect for the growing family. The kitchen and dining room are currently separate but the wall could be taken down to make into an open plan breakfast kitchen which seems to be popular. For the full extent and quality of the accommodation that is included to be appreciated, we strongly recommend interested parties do take a full inspection where they will be able to see the size of the accommodation on offer.

The property is constructed of an attractive brick to the external elevation all under a pitched tiled roof and benefits from gas central heating, with the boiler having been replaced in 2022 and double glazing. In brief the accommodation comprises of an entrance hall, lounge with double doors to the dining room having sliding doors to the rear garden, door to a breakfast kitchen which leads to the utility and ground floor w.c. To the first floor there are four bedrooms, the master being of a good size and having a larger than average en-suite, and the family bathroom. To the front of the property there is a driveway offering parking for at least 2 cars, garage and side access leading to the privately enclosed rear garden.

The property is within walking distance of the village centre where there are various shops, three local pubs, a bistro and various cafes. There are schools for younger children in Breaston, while Trent College and The Elms independent schools and excellent state schools for older children can be found in Long Eaton. Also in Long Eaton, there are Asda, Tesco and Aldi supermarkets as well as many other shops. Sports facilities, including several local golf courses and the West Park Leisure Centre and adjoining playing fields, are also within easy reach and there are walks in the surrounding picturesque countryside. The excellent transport links include Junction 25 of the M1, East Midlands Airport, train stations at Long Eaton and East Midlands Parkway, and the A52 and other main roads, which provide good access to Nottingham, Derby and other East Midlands towns and cities.

Entrance Hall

Front entrance door, stairs to the first floor and door to:
