**£175,000 Freehold**

THIS IS A LOVELY TWO DOUBLE BEDROOM MID TOWN HOUSE PROPERTY WHICH HAS A LANDSCAPED PRIVATE GARDEN TO THE REAR AND OFF ROAD PARKING FOR TWO VEHICLES.

Being located on the outskirts of Castle Donington, this lovely two double bedroom mid property offers a home that will suit a whole range of buyers. Since purchasing the property the current owner has carried out a lot of work to the house, having installed a new boiler, gas oven and hob (2018), there is triple glazing in most of the windows, the electric consumer unit has been replaced, the bathroom has been re-fitted and re-tiled and the soffits, fascias and guttering have also been replaced. For the size of the accommodation and the privacy of the maintenance free rear garden to be appreciated, we recommend that interested parties do take a full inspection so they can see all that is included in this lovely property for themselves.

The property is constructed of brick to the external elevations under a pitched tiled roof and the well proportioned accommodation derives the benefits from having gas central heating and additional triple glazing to most of the windows. The property is entered through the front door into a reception hall, from which the stairs lead to the first floor and a door into the lounge/sitting room and from this room there is a door to the dining kitchen which would benefit from new doors to the cupboards. To the first floor the landing leads to the two double bedrooms and the bathroom which has a shower over the bath position. Outside there is a small garden area at the front with the main garden being at the rear where there are block paved patios, an astroturf lawn, a shed is included in the sale and the garden is kept private by having fencing to the boundaries and at the bottom of the garden there is a gate leading to two off road parking spaces.

Castle Donington is a sought after village location with there being a Co-op store at the bottom of the main hill where there is also a recently opened Aldi store, there are many other shops in the village centre as well as local pubs and restaurants. If required there are schools for all ages, healthcare and sports facilities including several local golf courses, walks in the surrounding picturesque countryside and the excellent transport links include J24 of the M1 which links to the A50 and A42, East Midlands Airport, East Midlands Parkway station and main roads which provide good access to Nottingham, Derby, Leicester, Loughborough and other East Midlands towns and cities.
